

E-Coupon and E-Scrip Instructions:

Please notice that your coupon/scrip is electronic and it may be used as payment at the automated pay machines at the Mercer Street Garage located at 650 Third Ave., North or 5th Avenue North Garage located at 516 Harrison Street.

Our pay machines function similarly to what you may have used at the airport:

- If you enter when no Attendant is on duty, you'll need to take a ticket at the entrance and follow the instructions on the back of the ticket. When you leave insert your entry ticket into the pay station with the stripe up and to the right. When prompted for payment insert your coupon into the pay station with the stripe up and to the right. The gate will lift and you may exit.
- If there is an Attendant on duty give the Attendant your coupon/scrip as payment. The Attendant will give you an exit ticket in exchange. To exit, follow the instructions on the back of your exit ticket.

Thank you for your patronage and for parking with Seattle Center. When you park at a Seattle Center parking facility, your parking dollars go to support our grounds, gardens and free public programs.
