

CONSTRUCTION UPDATE

MEMORIAL STADIUM | DECEMBER 2025

SEWER REPLACEMENT

- Work to replace a SPU sewer main that runs under Memorial Stadium is underway.
- This work is a requirement of SPU as part of the Memorial Stadium project. It will be performed by Sellen under the project management of SPU.

CONSTRUCTION ACCESS AND DELIVERIES

- Personnel access points are at the NE (Republican) and SW Harrison) corners.
- Vehicle access point is at 5th Ave and Republican St. into the delineated Seattle Public Schools parking lot
- Construction vehicle traffic will shift to the north side of the SPS parking lot September through February to accommodate sewer line replacement work. Sellen will have flaggers in place to control construction and public access.

ABOUT THE PROJECT

Seattle Center is entering an exciting new phase of Memorial Stadium development. Site activity will continue to increase and many may notice physical changes on and around the Seattle Center campus. For more information, visit our website.
