

CONSTRUCTION UPDATE

MEMORIAL STADIUM | JANUARY 2026

SEWER REPLACEMENT

- Work to replace a SPU sewer main that runs under Memorial Stadium continues.
- This work is a requirement of SPU as part of the Memorial Stadium project. It will be performed by Sellen under the project management of SPU.

CONSTRUCTION STATUS

- Demolition of the stadium structure is complete.
- Structural foundation work is underway.

CONSTRUCTION ACCESS AND DELIVERIES

- Personnel access points are at the NE (Republican) and SW Harrison) corners.
- Vehicle access is at 5th Ave and Republican St. into the delineated Seattle Public Schools parking lot.
- Construction vehicle traffic will shift to the north side of the SPS parking lot through February 2026 to accommodate sewer line replacement work. Sellen will have flaggers in place to control construction and public access.

PUBLIC VIEWING

- For a peek at the project, visit the viewing windows on Harrison St next to Artists at Play!

For Seattle Public Schools students and schools community members interested in construction job opportunities on this Memorial Stadium project, please see Seattle Public Schools' SCWA (Student Community Workforce Agreement) access [here](#).

ABOUT THE PROJECT

Seattle Center is entering an exciting new phase of Memorial Stadium development. Site activity will continue to increase and many may notice physical changes on and around the Seattle Center campus. For more information, visit our website.
